© RUSSIAN JOURNAL OF THERIOLOGY, 2003

List of mammalian taxa named in honor of Prof. Igor Mikhailovich Gromov[1]

Allactaga ***gromovi*** Terzea, 1974 (Dipodidae)
Citellus (*Urocitellus*) *undulatus* ***gromovi*** Erbajeva, 1966 (Marmotinae)
Dolomys ***gromovorum*** Aleksandrova, 1966 (Arvicolidae)
Hypolagus ***igromovi*** Gureev, 1963 (Leporidae)
Lagurus (*Eolagurus*) ***gromovi*** Topachevsky, 1963 (Arvicolidae) [=*Eolagurus luteus* ***gromovi***]
Microtus ilaeus ***igromovi*** Meyer *et al*., 1996 (Arvicolidae)
Microtus maximowichi ***gromovi*** Vorontsov *et al*., 1988 (Arvicolidae)
Meriones erythrourus ***gromovi*** Tropin, 1975 (Gerbilinae) [=*Meriones libycus* ***gromovi***]
Ochotona ***gromovi*** Erbajeva in Bazarov *et al*., 1976 (Ochotonidae) [=*Ochotona* ***gromovorum***, nom. emend. Averianov, 1998]
Pliorhombomys ***gromovi*** Fokanov, 1976 (Gerbilinae) [=*Rhombomys* ***gromovi***]
Plioselevinia ***gromovi*** Sulimski, 1962 (Seleviniidae)
Sciurotamias (*Csakvaromys*) ***gromovi*** Topachevsky, 1971 (Sciuridae)
Stachomys ***igrom*** Agadjanian, 1993 (Arvicolidae)
Zaissanolagus ***gromovi*** Erbajeva, 1999 (Lagomorpha)
